

COILBIND™ CB•30 Automatic Coil Inserter

AVERAGE
300-400
BOOKS/HR.

Automatically inserts, cuts, and crimps both ends of our COILBIND™ plastic binding elements.

- Automatically inserts, cuts & crimps both ends of CoilBind plastic spiral elements
- Unique drive wheel assembly eliminates coil tangle
- Hands-free foot pedal allows two-handed book placement
- Variable speed coil feed for maximum operator control
- Quick loading coil increases production speeds to 300-400 books/hour on average
- Simple setup and operation
- Easy coil sizing for maximum versatility and changeover
- Compact floor model
- Plugs directly into standard power supplies (air required)

Simply place pre-punched books

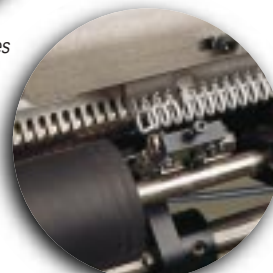

Position coil & depress foot pedal to quickly wind coil into book

Unique drive wheel paddles eliminate coil tangle

This compact, versatile workhorse is perfect for Trade, In-Plant or larger Office environments where speed and reliability are a must.

Automatically cuts and crimps both ends of coil

Finished books are perfectly bound and ready for delivery
